Two-year Construction Project on World-Class Golf Club Complete, Mistwood Golf Clubhouse and McWethy's Tavern Open for Business

ROMEOVILLE, IL (January 27, 2016) – The transformation is complete; the long-awaited Clubhouse at Mistwood Golf Club is open! The public is invited to come out and see the new facility, tour the beautiful great hall and meeting rooms, and grab a bite to eat at McWethy's Tavern, the Scottish-inspired pub.

"A more than two-year, multi-million dollar transformation at Mistwood Golf Club has created a single destination featuring world-class, Scottish-style links golf, award-winning culinary talent and dining elegance at McWethy's Tavern, and plentiful options for customized events," says owner Jim McWethy.

"The reinvestment made by Mistwood Golf Club has made a significant impact in our community," said Mayor John Noak. "A world-class destination resort like this is a tremendous asset to our community and our local economy. We are eager for the golf community to experience the enhancements made to the course as well as enjoy the amenities the new Clubhouse provides."

"We are eager to introduce the new Mistwood Clubhouse to the community," says Dan Bradley, general manager of the property. "A grand opening is planned for April 19, but we are already seeing a steady crowd at McWethy's Tavern and booking events in our beautiful meeting spaces. Please come in for a tour and grab a bite to eat!"

Mistwood's Clubhouse

Mistwood's Clubhouse offers more than 6,000 square feet of meeting space with panoramic views of Mistwood's picturesque Scottish-like links golf course. A variety of indoor and outdoor settings are ideal for weddings, fundraisers and corporate meetings, receptions and more.

- The elegant "Great Hall" can comfortably accommodate large parties of up to 240, including plenty of room for a seated dinner and dance floor. It has the cozy feel of a Scottish farmhouse, yet with a grand, castle-like entrance of bluestone flooring, distressed wood panels, and "Romeo and Juliette" balconies. Details like wood beam ceilings and hand-made wrought iron chandeliers add to the room's richness and charm, but they belie the sophisticated, state-of-the-art lighting, sound and multi-media capabilities that are built-in.
- The Terrace Room provides an elegant, intimate space for smaller groups of 50 or less.
- The inviting Courtyard is ideal for outdoor ceremonies and cocktails and, along with our old-world bell tower, adds a very special touch to photo opportunities.

"Nothing is more important or valuable at Mistwood than our experienced, passionate staff who are dedicated to making your event a very special, one-of-a-kind affair," says Jim Koklas, food and beverage director. "Our event management team has more than 50 years of combined service in the event industry, and our Executive Chef Mark Angeles has served presidents and other dignitaries from around the world. These experts are committed to customizing every event and leaving each guest satisfied."

McWethy's Tavern

McWethy's Tavern is an upscale pub-style restaurant that reflects owner Jim McWethy's Scottish ancestry, blending the best of the old and new worlds in an elegant yet warm, comfortable and satisfying dining experience. The restaurant offers a variety of dining environments such as fireside tables, semi-private dining areas, the stunning

copper-top bar, and the patio, with its unobstructed panoramic views of the golf course. European-style chandeliers hang from the vaulted cedar ceiling and add to the restaurant's dramatic charm.

"We don't view ourselves as a golf course restaurant, but rather as a great restaurant for golfers and non-golfers alike that just happens to have a magnificent view of one of the most scenic golf courses in the region," says Koklas, food and beverage director.

Award-winning Executive Chef Mark Angeles has assembled a fresh and imaginative menu of Scottish-inspired, American-made cuisine featuring only the highest-quality ingredients for its one-of-a-kind soups, dressings, pasta, sauces, chips, fries, and even seasonings. Attention to detail begins with preparation and extends to the food's presentation and service.

Diners may start their experience with such snack and share items as the Meat & Cheese Board, Scottish Ale Mussels & Frites, Jumbo Wings or Crispy Calamari. Flavorful Signature Sandwiches like the "Butcher's Steak Sandwich" and the "Dag"wood Club make choosing difficult. Heartier appetites will appreciate the range of options, from Shepherd's Pie, Roasted Sugar & Spice Salmon or Flaky Coconut Shrimp to a full range of flavorful steaks and chops. An extensive beer and wine menu, along with handcrafted and signature cocktails, complement any meal.
